STATE OF MAINE
DISABLED VETERANS CONTROLLED MOOSE HUNT
LOTTERY APPLICATION

*Please complete the application (front and back) and return to Maine Veterans' Services,

Criteria

The Department of Inland Fisheries and Wildlife has allocated ten (10) moose hunting permits to disabled veterans to participate in the Controlled Moose Hunt in Aroostook County. At least six of these permits will be issued to residents who possess a valid disabled veteran hunting license and no more than four permits may be issued to nonresident disabled veterans (Wounded Warriors) who possess a valid big game hunting license.

A "disabled veteran" means a person who:

(1) is a veteran; and

(2) has a service-connected disability evaluated at:

(a.) 100%, or

*(b.) has a service-connected disability evaluated at 70% and has served in
a combat zone during any armed conflict in which participants were
exposed to war risk hazards.*

These permits will be issued in cooperation with the Department of Defense, Veterans and Emergency Management; Maine Veteran's Services and partners will provide logistical support to the selected disabled veterans during their moose hunt.

In order for Maine Veterans Services to work with partners to reduce the cost of the controlled moose hunt for disabled veterans we are asking the following questions to get an idea of what support may be needed. Answers to the questions will not disqualify a veteran and once we have drawn the lucky veterans we will work with the individual veterans to see what other support we may be able provide.

1. Do you have your own rifle? _____
(If you do what caliber is it and does it have a scope?)
2. When was the last time you hunted for deer or moose? (year) _____
3. Are you capable of walking short distances over rough ground (fields)? _____
4. Are you capable of sitting for extended periods of time? (3-4 hours) _____
5. Have you attended a Hunter Safety Course in the past? _____
